Deductions

Most taxpayers have a choice of taking either a standard deduction or itemizing their deductions. If you have a substantial amount of deductions, you may want to itemize. You will need to bring the following information:

- 1098 Form showing any home mortgage interest
- A list of medical/dental expenses (including doctor and hospital bills and medical insurance premiums), a list of prescription medicines, costs of assisted living services, and bills for home improvements such as ramps and railings for people with disabilities
- Summary of contributions to charity
- Receipts or canceled checks for all quarterly or other paid tax
- Property Tax bills and proof of payment
- Please note: If you itemized last year, bring all the information on the deductions listed above this year. Although the standard deduction has increased under the new tax law, it may be advantageous to itemize to minimize both federal and Maryland taxes.

Health Insurance

- 1095A Forms if you purchased insurance through the Marketplace (Exchange)

Credits

- Dependent care provider information (name, employer ID, or Social Security number)
- 1098-T and 1098-E Forms (Tuition and Student Loan Interest)
- Along with 1098-T, bring Student account statement for the year - downloaded from the Bursar's Office
